<b>What? State the focus of your improvement work.</b> What's is the general overarching statement describing what you intent to accomplish during the time you work on this process. (e.g. increase percent of infants with skin-to-skin contact, rooming-in, etc.)
<b>How much?</b> By how much will you improve? Or "how good" do you want to get? (e.g use outcomes measures baseline to determine site specific improvement goals)
<b>By when?</b> What is the date by which you will achieve the level of improvement you've set out to accomplish? (e.g., March 31, 2023)
<b>For whom?</b> Who is the primary population of focus for the improvement? (e.g., infants delivered vaginally)
<b>Write your complete aim statement.</b> (e.g.

Example: By March 31, 2023, Belgium Area Hospital will increase the percent infants with skin-to-skin contact after vaginal delivery from 65% to 85%.
